

CLAIM AMENDMENTS

1 - 4. (Cancelled)

5. (Original) ~~The tag of claim 1, further including:~~

A tamper evident RFID tag, comprising:

a tamper evident label material, with

an adhesive on a back side,

an RFID Transponder adhered to said adhesive, and

a hologram on the label material

wherein the tamper evident label material is a vinyl with a tensile and tear resistance such that the tamper evident label material one of tears and breaks upon an attempted removal from a substrate.

6. (Original) ~~The tag of claim 1, further including:~~

A tamper evident RFID tag, comprising:

a tamper evident label material, with

an adhesive on a back side, and

an RFID Transponder adhered to said adhesive, and

microprinting on the label material

wherein the tamper evident label material is a vinyl with a tensile and tear resistance such that the tamper evident label material one of tears and breaks upon an attempted removal from a substrate.

7 - 18. (Cancelled)

19. (Currently Amended) ~~The tag of claim 7, further including:~~

A tamper evident RFID tag, comprising

a clear label material, with

a silicone pattern and a pigmented adhesive on a back side, and

an RF transponder adhered to said adhesive; and

a hologram on the label material;

wherein separation of the tag from a substrate results in incomplete separation of the adhesive in the form of the silicone pattern and said pattern becomes visible.

20 - 21. (Cancelled)

- 22. (New) The tag of claim 5 further including:
a release liner attached to said adhesive.
- 23. (New) The tag of claim 6 further including:
a release liner attached to said adhesive.
- 24. (New) The tag of claim 19 further including:
a release liner attached to said adhesive.
- 25. (New) The tag of claim 5, further including:
a release liner attached to said adhesive.
- 26. (New) The tag of claim 6, further including:
a release liner attached to said adhesive.
- 27. (New) The tag of claim 19, further including:
a release liner attached to said adhesive.
- 28. (New) The tag of claim 5, wherein:
the tamper evident label material is one of 3M 7866, 3M 7389 and 3M 7385.
- 29. (New) The tag of claim 6, wherein:
the tamper evident label material is one of 3M 7866, 3M 7389 and 3M 7385.
- 30. (New) The tag of claim 19, wherein:
the tamper evident label material is one of 3M 7866, 3M 7389 and 3M 7385.
- 31. (New) The tag of claim 5, wherein:
the tamper evident label material is 3M 7610 ScotchMark Destructible Vinyl.
- 32. (New) The tag of claim 6, wherein:
the tamper evident label material is 3M 7610 ScotchMark Destructible Vinyl.
